

Documents and Information material required for Agricultural Pesticides  
Registration in Lebanon-MOA  
**Chemical Pesticides**

<b>Producer/Formulator (Registrant)</b>					
<b>Manufacturer of TGAI</b>				<b>Date of registration:</b>	
<b>Importing company (in Lebanon)</b>				<b>Date of expiry:</b>	
<b>Trade name:</b>				<b>Approved by:</b>	
<b>Active ingredient(s):</b>				<b>Approved by:</b>	
<b>% a.i.:</b>				<b>Approved by:</b>	
<b>form:</b>					

**Part One : Administrative Documents**

#	Documents required and forms to fill in (Checklist 1)	company	Ministry of Agriculture	legalization	Remarks (Official Use Only)
1	Annex 1 (chemical Pesticides) of Decision 310/1			No	
	Approval of the trade name			No	
	Structure & nomenclature			No	
	Physico-chemical properties			No	
	Specification for registration			No	
	Acute toxicity study & Toxicological Studies			No	
	Environmental Fate studies			No	
	Eco-toxicological-studies			No	
Purpose and Rate of use contains: (see table at the end of this document) •Target crop •Target pest per crop •Rate of Use •Mode of action •Application Method •PHI (Pre-harvest interval) •REI (Re-entry Period) MRL(Maximum Residue				No	

	Levels) per crop				
2	Certificate about manufacturer			Yes	
3	Certificate of ISO 9000: Scope formulation-for Formulators			Yes	
4	Letter of Authorization for Registration			Yes	
5	Certificate of Use and Registration for the commercial product (Formulation)			Yes	
6	Copy of EPA List 1 Declaration (Exemption of Chemicals in EPA List 1)			No	
7	Copy of EPA List 2 Declaration (Percent Content of Chemicals Belonging to EPA List 2)			No	
8	TGA1			No	
9	Detailed composition			No	
10	Report on Product Stability(Accelerated Storage Stability)			No	
11	Material Safety Data Sheet of formulated product			No	
12	Material Safety Data Sheet on Technical Grade Active Ingredient(s)			No	
13	International label text			No	
14	Local label			No	
15	Residue report			No	
16	Approval of technical file from the lab			No
